Article IV, Section 4 of the Constitution requires our government to protect and defend our borders. If government does not, the Constitution, by virtue of the named part herein, authorizes the Free Citizens to defend themselves and their state in place of the treasonous government. In not defending our borders, government gives aid and comfort to a hostile foreign invasion; and this, under Article III, Section 3 of the Constitution is properly labeled TREASON.

Today's lesson is the word "irony" in its full definition:

The Food Stamp Program, administered by the U.S. Dept. of Agriculture, is proud to be distributing the greatest amount of free meals and food stamps ever - to 46 million people.

Meanwhile, the National Park Service, administered by the U.S. Dept. of Interior, asks us to "Please Do Not Feed the Animals." Their stated reason for the policy is because "the animals will grow dependent on handouts and will not learn to take care of themselves."

Thus ends today's lesson re: irony.

EXPOSING THE LIARS AGAIN

A two megawatt turbine windmill is made of
260 tons of steel that requires 300 tons of iron
ore and 170 tons of coking coal, all mined,
transported and produced by hydrocarbons.
These turbines could spin until they fall apart
and never generate as much energy as was
invested to manufacture them.

A two megawatt turbine costs \$3,500,000 installed
and is expected to last no more than 20 years.
There are 20 turbines in this photo. Do the math.
They cannot be "recycled" when they fail. They must
be torn down and hauled away to trash piles using
vehicles powered by hydrocarbons (which will no
longer be produced). So...where do we go from here?

DO YOU KNOW?

The term "Anti-Semitic" means anti-communist. It was invented by Jewish writer Moritz Steinschneider in 1860 to silence anyone who dared to expose crimes of the Jews who hijacked Russia during the so-called "Revolution." It became law and was used to murder 90 million Europeans who opposed the Zionist' theft of the largest nation on Earth. So now it is a crime in America to say we are anti-communist?

DIVERSITY
MEANS FEWER WHITE PEOPLE
INCLUSION
MEANS EXCLUSION OF WHITE PEOPLE
EQUITY
MEANS STEALING FROM WHITE PEOPLE

Communist John Kerry as Climate Czar? Only the Communist Party would pick a guy with 6 houses, 12 cars, 2 yachts and a private jet to tell you that you should take a bus or a bicycle to work in order to stop pollution.

I'm not particularly fond of people who have six houses, three yachts, nine cars and who fly in private jets to meetings where they discuss how they are going to take my house, my car, my job and force me to eat bugs... but that's just me.

J6 PRISONERS ARE BEING HELD NOT FOR THE CRIME THEY DID OR DIDN'T COMMIT, BUT ONLY AS AN EXAMPLE OF WHAT THEY WILL DO TO YOU IF YOU EVER THINK ABOUT RISING UP AGAINST THEIR SYSTEM OF TYRANNY.

EXPOSING THE LIARS

After two years of unprecedented government tyranny in the name of fighting a virus, the prime instigators of this infamy are walking free, writing books, and openly pretending they never said the things they clearly said over and over.

Take Trump's White House Covid response coordinator Deborah Birx, for example. She was, as the Brownstone Institute's Jeffrey Tucker points out in a recent article, the principal architect of the disastrous "lockdown" policy that destroyed more lives than Covid itself. Birx knew that locking a country down in response to a virus was a radical move that would never be endorsed.

So, as she admits in her new book, she lied about it. She sold the White House on the out-of-thin-air "fifteen days to slow the spread" all the while knowing there was no evidence it would do any such thing. As she wrote in her new book, *Silent Invasion*, "I didn't have the numbers in front of me yet to make the case for extending it longer, but I had two weeks to get them."

She was playing for time with no evidence. As it turns out, she was also destroying the lives of millions of Americans. The hysteria she created led to countless businesses being destroyed, countless suicides, major depression, and drug and alcohol addictions. It led to countless deaths due to delays in treatment for other diseases. It may turn out to be the most deadly mistake in medical history.

As she revealed in her book, she actually wanted to isolate every single person in the United States! Writing about how many people would be allowed to gather, she said: "If I pushed for zero (which was actually what I wanted and what was required), this would have been interpreted as a 'lockdown'—the perception we were all working so hard to avoid."

She wanted to prevent even two people from meeting. How is it possible that someone like this came to gain so much power over our lives? One virus and we suddenly become Communist China?

Last week in a Fox News interview she again revealed the extent of her treachery. After months of relentlessly demanding that all Americans get the Covid shots, she revealed that the "vaccines" were not vaccines at all!

"I KNEW THESE VACCINES WERE NOT GOING TO PROTECT AGAINST INFECTION," SHE TOLD FOX.

"AND I THINK WE OVERPLAYED THE VACCINES. AND IT MADE PEOPLE THEN WORRY THAT IT'S NOT GOING TO PROTECT AGAINST SEVERE DISEASE AND HOSPITALIZATION."

So when did she know this? Did she know it when she told ABC in late 2020 that "this is one of the most highly-effective vaccines we have in our infectious disease arsenal. And so that's why I'm very enthusiastic about the vaccine"? If she knew all along that the "vaccines" were not vaccines, why didn't she tell us? Because, as she admits in her book, she believes it's just fine to lie to people in order to get them to do what she wants.

She admits that she employed "subterfuge" against her boss – President Donald Trump – to implement Covid policies he opposed. So it should be no surprise that she lied to the American people about the efficacy of the Covid shots. The big question now, after what appears to be a tsunami of vaccine-related injuries, is will anyone be forced to pay for the lies and subterfuge? Will anyone be held to account for the lives lost to the arrogance of the Birxes and Faucis of the world? A pox on them. A hex on them. A curse on them.

We thank the Democrats' (American Communist Party)* "Useful Idiots" for persecuting President Donald Trump and making him the most popular candidate in the GOP. (* look it up)

Batteries do not make electricity—they store electricity produced elsewhere, primarily by coal, uranium, natural gas-powered plants or diesel-fueled generators. So, to say an electric vehicle produces no emissions is just total bullshit.

AND NOW...

THE REST OF THE STORY

A great woman erased from history by MORONS.

The branding of the syrup was a tribute to this woman's gifts and talents. Now future generations will not even know this beautiful woman existed. What a shame.

The world knew her as "**Aunt Jemima**," but her given name was Nancy Green and she was a true American success story. She was born a slave in 1834 Montgomery County, KY. and became a wealthy superstar in the advertising world, as its first living trademark. Green was 56-yr old when she was selected as spokesperson for a new ready-mixed, self-rising pancake flour and made her debut in 1893 at a fair and exposition in Chicago.

She demonstrated the pancake mix and served thousands of pancakes, and became an immediate star. She was a good storyteller, her personality was warm and appealing, and her showmanship was exceptional. Her exhibition booth drew so many people that special security personnel were assigned to keep the crowds moving.

Nancy Green was signed to a lifetime contract, traveled on promotional tours all over the country, and was extremely well paid. Her financial freedom and stature as a national spokesperson enabled her to become a leading advocate against poverty and in favor of equal rights for all Americans. She maintained her job until her death in 1923, at age 89. This was a remarkable woman, and sadly she has been ERASED by "WOKE" activists who caught the donkeypox.

OPTION 3

Established 1990

**The Only Business Opportunity
Worth Its Weight In Gold!**

Most MLM or Networking products are of debatable value. But OPTION 3's product is U. S. Gold and Silver Eagle Bullion coins* whose weight and content are guaranteed by the U. S. Government.

OPTION 3 IS ROCK SOLID!

Combining "networking" with the Option 3 "Leveraging" plan makes it possible to obtain nearly \$100,000 in earnings from an initial deposit of ONLY \$100. You are holding Financial Independence right here in your hands!

HERE ARE THE FACTS!

* Produced by the United States Mint!

Call 1-800-662-0768
for a pre-recorded message

Option 3 has made acquisition of these beautiful gold and silver eagle coins available for everyone. With the combination of "layaway, leverage and sweat equity," *you can have them for 40¢ on the retail dollar.*

Each individual plays a direct role in the rate they earn their beautiful, precious coins.

Option 3 has been helping people acquire these magnificent coins since 1990. In 1990, gold and silver values were approximately \$300 and \$3 per ounce respectively.

The value of American Gold and Silver Eagle coins has not only kept pace with inflation, but has far exceeded it. Gold has outperformed the NASDAQ, DOW, and S&P 500 over the past 10 years. Today, their values are approximately \$1,745.00 and \$37.00 per ounce respectively.

When people ask, "**Why would anyone want to acquire gold and silver coins?**" the obvious response should be: "**Why wouldn't you?**"

American Eagle Bullion coins are minted by the United States Treasury and their weight and content are guaranteed by the U. S. Government. There is no "debatable value" with this product. Nothing else provides such a high degree of insurance against financial panic, offsets the shrinking value of paper currencies, is so pure, lustrous, dense and universally accepted as a paragon of absolute value. As demand for Gold and Silver increases, those holding it will be wealthier than they could possibly imagine.

Don't be lured by the "pills, powders, and promises" of other programs. **PROTECT YOURSELF!** With all the global events and economic uncertainty, NOW is the time to acquire American Eagle Gold and Silver Bullion Coins. *Our products offer a "safe haven" to preserve and grow your hard-earned dollars—a "lifeline" to protect your future purchasing power.*

The Jewish writer Moritz Steinschneider **invented** the term “anti-semitic” in 1860. The term would be used to silence all those who dared to expose Jewish crimes. Because of the predominant Jewish character of the regime, the very first piece of legislation approved by the communists was the “Anti-semitism Act” in 1917. Anti-semitism was made a capital crime. An anti-communist was regarded as an anti-semite.

Leon Trotsky also started using the word “racist” to browbeat all dissenters of the communist ideology and to render debate impossible. These words are used still to this day by Democrats to bully any politically incorrect person into silence. Even more now than ever they’re trying to make it punishable to question or criticize their actions by calling it “hate speech” or “anti-semitic”. More proof (if you need any) that Democrats are Communists.

Has anyone else noticed that Trump Supporters have huge patriotic motorcycle and boat rallies while Biden supporters are rioting and burning down cities?

It didn't begin with the gas chambers. It began with one party controlling the media, one party controlling the message, one party deciding what is truth, one party censoring speech and silencing the opposition, one party dividing citizens into “us” and “them,” and telling their supporters to harass “them.” It began when good people turned a blind eye and let it happen. AND ALL THOSE CONSPIRATORS ARE LAWYERS! BOTH SIDES ARE IN ON THE STEAL.
